Risk Factors:

1. Moon Rocket Coin is not responsible for any loss or damage incurred by you because of your use of our Services or for your failure to understand the nature of virtual currencies or the market for such currencies. All we are providing you is a method to purchase the Moon Rocket Coin, and we make no representations or warranties concerning the value, stability, or legality of any such virtual currencies.
2. You acknowledge the following risks related to your use of the Site and the Services:
3. The risk of loss in trading virtual currencies such as Bitcoin (collectively, "Digital Assets") may be substantial and losses may occur over a short period.
4. The price and liquidity of Digital Assets has been subject to large fluctuations in the past and may be subject to large fluctuations in the future
5. Digital Assets are not legal tender, not backed by any government, and accounts and value balances are not subject to Federal Deposit Insurance Corporation or Securities Investor Protection Corporation protections.
6. Legislative and regulatory changes or actions at the state, federal or international level may adversely affect the use, transfer, exchange and value of Digital Assets.
7. Transactions in Digital Assets may be irreversible, and accordingly, losses due to fraudulent or accidental transactions may not be recoverable.

8. Some Digital Assets transactions shall be deemed to be made when recorded on a public ledger, which is not necessarily the date or time that the customer initiates the transactions

9. The value of Digital Assets may be derived from the continued willingness of market participants to exchange fiat currencies for Digital Assets, which may result in the potential for permanent and total loss of value of a virtual currency should the market for that virtual currency disappear.

10. There is no assurance that a person who accepts Digital Assets as a payment today will continue to do so in the future.

11. The nature of Digital Assets may lead to an increased risk of fraud or cyber-attack, and may mean that technological difficulties experienced by the Company may prevent the access or use of your Digital Assets.

12. Your account with Moon Rocket Coin may not be sufficient to cover all losses incurred by you.

You acknowledge and agree that you are solely responsible for determining the nature, potential value, suitability, and appropriateness of those risks for you, and that Moon Rocket Coin does not give advice or recommendations regarding Digital Assets, including the suitability and appropriateness of, and investment strategies for, Digital Assets. You acknowledge and agree that you shall access and use the Services and the Site at your own risk. This brief statement does not disclose all the risks associated with trading, exchanging, mining and storing in Digital Assets. You should, therefore, carefully consider whether such trading, exchanging, mining and storing's are suitable for you considering your circumstances and financial resources. You should be aware that you may sustain a total loss of the funds in your Account (as defined below), and that under certain market conditions, you may find it difficult or impossible to liquidate a position.
